Project Deadlines

• User feedback report (past due)
• Design presentation to your TA (next week)
  • Initial sketches of your design
  • Based on user feedback (2nd round)
• User Interface Design hand-in (3/17)
  • 3 different designs for your application
• Poster Session (Sayles, 3/20, 3/22)
  • Show your designs and other ideas
Next Time

• Back End Technologies
• Lecture Preparation:
  • Take 3 Web Applications. Try to determine what back end technology they use.
