Lecture 12 Readings

Security Through Software Engineering

1 Readings

- The Oceans 11 of Cyber Strikes, by Peter W. Singer, published by Brookings, May 2012 This article provides a very clear explanation of Advanced Persistent Threats.

2 Optional Resources

- Epic Failures: 11 Infamous Software Bugs, COMPUTERWORLD, Sept. 9, 2010.
- Divided we stand: Organisms stop infections spreading by being diverse. So can computer apps, The Economist, May 24, 2014.
