Homework 10

Due: Friday, April 20, 2017 at 2 p.m.

• TA office hours are on Tuesdays 4-6pm in CIT 207.

• You can contact the staff at cs1951gtas@cs.brown.edu or use the Piazza website.

• If you work together on the homework, include your partners’ names at the top of your handin. However, your solutions must be written independently. The full collaboration policy can be found in the syllabus.

• Please typeset your solutions in \LaTeX with the template provided on the course website.

• You must hand in the printed solutions before class. If there is no class on the date this homework is due, you can email your solutions to the address above.

Problem 1

Exercise 16.2 from the textbook, page 258.

Problem 2

Exercise 16.7 from the textbook, page 270.
