Please provide name, company, and graduation year if alumni.

DIRECTIONS TO THE WATSON CIT BUILDING

- From I-95, take Exit 22A, Downtown, Memorial Boulevard.
- At the fifth traffic light, turn left onto College Street. Cross the bridge and proceed up the hill following College Street to the end.
- At the top of the hill, where College Street intersects with Prospect Street, you will see Brown’s Van Wickle Gates. Turn left onto Prospect Street.
- At the next light, turn right onto Waterman Street. At the third light is Brook Street. Computer Science (CIT) is the red and tan brick building on the right.
- For visitor parking turn right onto Brook Street. The lot will be on your immediate left.
- The front of our building is on the other side, facing a quadrangle. Event registration is on the third floor.

PARKING
Brown has a Visitor Parking Lot across the street from the CIT on Brook Street; this lot charges $3 an hour with a maximum of $15 (enter 5 hours) for the day. On-street parking can also be found in the vicinity but beware of ticketing.

The Industrial Partners Program (IPP) provides a formal mechanism for interactions between companies and students in the Brown Department of Computer Science. Member companies benefit from superior visibility in the Department, exclusive access to event/interview space in the CIT Building and assistance with recruiting events; students benefit from specific information about opportunities for summer internships and permanent employment. Opportunities are also available for partner companies to form research collaboration with our top-notch faculty.

The Department wishes to thank our industrial partners:
